(George) PPC Report

- The committee has been busy with the review of the San Luis Obispo County Public Works Standards Updates, letter was sent with suggested changes. Redlines have been released.

(George) Trig Star

- Testing is in progress, 4 schools have been tested.
- The check was handed out recently to last years winner.

Old Business

The Public work Standards are being reviewed. Suggestions were made on the language used in multiple places. More stringent monument preservation language is being requested. A letter was sent to Ed Reading. Discussions were had on having pre-construction corner record or R/S filed before the Preconstruction meeting and getting timelines on the end of construction. We have until 6/1/18 to get comments back in. PPC will continue to coordinate.

New Business

Tom stated that students are wanting internships.
