SURVEY PARTY

Mark your calendars! It's almost time for the annual CLSA Christmas party! It is scheduled for Thursday, December 14, 2000.

It will be held at the SLO Yacht Club again this year. (It's back at the Avila Pier!)

The party will be the same theme this year (pot luck that is) since everyone seems to enjoy the casual atmosphere. We will be looking for volunteers to help set up the place and tear it back down afterward. (Clean it up that is.) We will provide turkey, ham, drinks and door prizes. You will provide everything else. Cocktails (beer, wine and soft drinks) will be available starting at 6:30. Dinner will be served around 7:30. Please R.S.V.P. with your choice of dish to bring from the following categories:

- A. Appetizer
- B. Vegetable dish
- C. Other side dish
- D. Dessert

Please call me at 549-8658 or 772-4579 or e-mail me at lmrpls@aol.com.

If you can please bring an unwrapped gift to be delivered to the Salvation Army for their "Toys for Teens" program.

See you all soon.
Linda M. Richardson
Chairperson for Christmas Committee.

Provoking Thoughts....

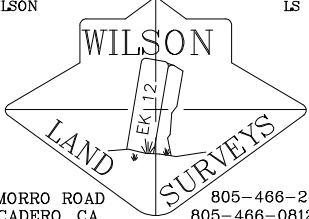

1. Never raise a hand to your child. It leaves your groin unprotected.
2. I'm not into working out. My philosophy: No pain, No pain.
3. I am in shape. Round's a shape.
4. Ever wonder if illiterate people get the full effect of alphabet soup?
5. I always wanted to be somebody, but I should have been more specific.
6. Did you ever notice when you blow in a dog's face he gets mad at you? but when you take him in a car he sticks his head out the window.
7. Have you ever noticed . . . anybody going slower than you is an idiot, and anyone going faster than you is a maniac?
8. You have to stay in shape. My mother started walking five miles a day when she was 60. She's 97 today and we have no idea where she is.
9. I have six locks on my door all in a row. When I go out, I lock every other one. I figure no matter how long somebody stands there picking the locks, they are always locking three.
10. The statistics on sanity is that one out of every four Americans is suffering from some form of mental illness. Think of your three best friends. If they are okay, then it is you.
11. Future historians will be able to study at the Gerald Ford Library, the James Carter Library, the Ronald Reagan Library and the Bill Clinton Adult Book Store.
